CIS - Certification & Information Security Services GmbH

CIS delivers services in the area of system
certification according to the requirements
of the international standard ISO 17021
and is accredited by Accreditation Austria.

The validity of the CIS certificate is confirmed by annual surveillance audits and has to be renewed by a recertification audit after three years.
The current validity of the certificate is documented exclusively on the internet under www.cis-cert.com/service/search-for-system-certificates/.
